On account of MFO 335720, OKPO 05420497, settlement account №26003301610457, DonIPE NASU, “Don IPE NASU Fee for participation in the Conference «High Pressure – 2006. Fundamental and applied aspects»”.

SECOND ANNOUNCEMENT

HIGH PRESSURE - 2006 *Fundamental and applied aspects*

Organized by:

**The National Academy
of Sciences of Ukraine**

**Donetsk Institute for Physics and
Engineering named after
A.A. Galkin,
NAS of Ukraine**

September 17–23, 2006

Sudak, Crimea, Ukraine

Dear colleagues,

We have pleasure to inform you that your report has been included in the program of the 9-th International Conference «High Pressure – 2006. Fundamental and Applied Aspects».

Duration of a plenary report to 30 minutes, of an oral report – 20 minutes including questions. A multimedia projector for computer presentations is at your service.

A poster paper dimensions: not larger than 100 cm x 100 cm .

The program and current information on the Conference is updated at the Internet: <http://hipressure.donbass.com/HP9/eng>

Conference languages – Ukrainian, English and Russian.

Conference location

The Conference will be held at the tourist-recreation complex “Sudak”, Sudak, Crimea, Ukraine. The tourist-recreation complex “Sudak” is on the territory of the park-gardens art relic of Sudak which is one of the best health-resorts of the south-eastern part of Crimea. Sudak is rich in beautiful landscapes, relics of the past. Harmonic mixture of salubrious air from the Black Sea and Crimean mountains creates the unique climatic-therapeutic effect. Attention is attracted by legendary towers and walls of the Genoese fortress, majestic cliffs, colourful bays and “paradisiacal” verdure of Crimea.

Cultural Program

The program will include:

- welcome party;
- excursions, rest at the seaside;
- another events on participants will;
- comradely supper;
- friendly meetings with participants of conferences held in parallel.
